**Connecting to 1 Sound Stone 2
(mono):**

1. Press and hold power button on a speaker for 2 seconds to power on. Sound Stone 2 will automatically enter Bluetooth mode indicated by the flashing blue LED.
2. On your Bluetooth device, navigate to your Bluetooth settings menu, find "Sound Stone 2", and connect. Once connected, the blue LED will remain solid, and you will hear, "Connected".
3. To disconnect the Bluetooth connection, disconnect from your Bluetooth device's Bluetooth settings menu.

**Linking 2 Sound Stone 2
(stereo):**

1. On the 1st speaker (powered off), press and hold the power button for 6 seconds until you hear 'beep beep'. The speaker will power on, and enter stereo linking mode.
2. On the 2nd speaker, press and hold the power button for 2 seconds to power on. The two speakers will automatically link together. A successful link will be indicated by a solid green LED on the 1st speaker, a solid red LED on the 2nd speaker, and you will hear "Connected" from the 2nd speaker.
3. On your Bluetooth device, navigate to your Bluetooth settings menu, find "Sound Stone 2", and connect. Once connected, you will hear "Connected" from the 1st speaker.
